

# Grab-and-Go Open Refrigerated Floor Display Case, Silver

SKU: 51000-176      51000-177

## Showcase your products with style and convenient access using Zanduco's Refrigerated Floor Display Case.

This open refrigerated display is thoughtfully designed to optimize space, making it an excellent choice for cafes, restaurants, supermarkets, and convenient stores. The open-front design allows customers to easily reach items, encouraging impulse purchases and enhancing the overall shopping experience. A pull-down night curtain helps lower energy usage during non-operating hours.

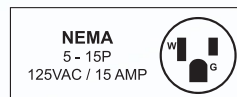

Bright internal LED lighting improves product visibility while highlighting the unit's sleek, modern design. Additional features include a digital temperature controller for accurate cooling, adjustable shelving for versatile merchandising, and casters for smooth and easy mobility. The unit is insulated with an XPS foaming agent to boost energy efficiency and maintain consistent internal temperatures.

### FEATURES:

- Pull-down night curtain for energy savings during off-hours
- Digital temperature controller for precise cooling control
- Bright LED lighting to enhance product visibility
- Adjustable shelves for flexible product arrangement
- Casters for smooth and easy mobility
