

17" Countertop Refrigerated Showcase with Four Sided Glass and Stainless Steel Base

SKU: 51000-330

Enhance the appeal of your food merchandise and drive impulse sales with the 17" Countertop Refrigerated Showcase.

Featuring a four-sided glass design and a durable stainless steel base, this showcase offers customers a complete, 360° view of your refrigerated items. With its spacious interior, it allows you to store and present multiple products at once, making it ideal for high-traffic environments. The unit operates with eco-friendly R290 refrigerant and includes a digital temperature controller for precise cooling management. LED interior lighting further enhances product visibility, drawing attention to your items and ensuring they look their best.
