

17" Countertop Four-Sided Glass Refrigerated Display Case

SKU: 51000-020

Showcase your products with modern style and maximum visibility using this clear, four-sided glass display.

Designed for busy cafes, bakeries and restaurants where space is limited but presentation matters, this countertop refrigerated unit delivers both function and visual appeal. Its sleek, durable construction features crystal-clear glass on all sides and an open front, providing full product visibility and easy customer access; ideal for grab-and-go service.

The spacious interior accommodates a wide variety of items, helping encourage impulse purchases. Internal LED lighting highlights products beautifully, while digital temperature controls ensure consistent, reliable cooling.

Three (3) adjustable shelves offer flexible organization for different product sizes, and the dual-door design allows for quick, convenient restocking. With its clear, all-around view, this display case draws attention from every angle and keeps products front and centre.

FEATURES:

- Four-sided clear glass for maximum visibility
- Internal LED lighting to enhance product presentation
- Precise temperature controls for consistent cooling
- Three (3) adjustable shelves for flexible display options
- Single-door design for easy restocking
